Experience

Jayroma Ltd - Pattern Grader

2014 - Present

- ◆ Pattern Grader using Gerber Software. Covering Womenswear, Kid's wear & Baby wear. Across Outerwear, Tailoring and Softs. Product types include coats, jackets, trousers, shorts, skirts, dresses and blouses.
- ◆ Creating Tall and Petite patterns.
- ◆ Helping the costers with initial sales and costings using Accumark Software.
- ◆ Assisting the QC department with measuring samples, amending specs and checking PP samples from factories.
- ◆ Monitoring factory queries and working with the QC department and pattern cutters to ensure they are actioned and all information is updated.
- ◆ Assisting the pattern cutting team with pattern amendments, creating markers to send for samples to be made and digitizing.

PC Clothing - Production & Grading Assistant

2013 - 2014

- ◆ Inputting orders onto a master list to track production sealing and grading timeline.
- ◆ Managing incoming fabric and trims used to make samples.
- ◆ Measuring garments and inputting measurements onto spec sheets.
- ◆ Sending out packs for samples to be made ensuring all correct components are included, and following up to meet deadlines.
- ◆ Cutting garments for in house machinists to make.
- ◆ Checking production samples from factories before sending to the customer ensuring all measurements were correct and any issues were raised and rectified.

Omar Kashoura - Intern

2013

- ◆ Assisting the team during the production of the Menswear SS13 Collection

Proenza Schouler - Intern

2010

- ◆ Assisting on the AW11 campaign photoshoot.
- ◆ Cutting out garments and small sewing projects.
- ◆ Assisting the pattern cutting and production team.
- ◆ Fabric and trim sourcing.
- ◆ Working on colourways for the SS11 collection.
- ◆ Helped organise backstage at the SS11 show.
